

WINTER WEATHER

When the Temperature/Wind Chill reach
-25°C or colder, it is our school policy
that students stay in at recess time.

This does not change the fact that students need
to come dressed appropriately everyday!

For bus cancellations please listen to

97.7 Real Country or check the Division website at
www.stpauleducation.ab.ca

The cold weather is here!

- Please send your child dressed to go outside each day—extra clothes are a great idea.

- Label all of your child's clothing and boots to help them identify their belongings.

- Your child needs indoor shoes to help keep their feet dry and our school clean.

- Have your child visit the Lost and Found table regularly

- Wash your hands often to stop the spread of colds and flu!

PARENTS PLEASE BE AWARE

Supervision begins at 8:25 a.m. All students are expected to wait in the gathering area until that time.

Reminder: To use parking lot as new parking, drop off and pick up zone.

**Donations
are Greatly
Appreciated!**

We are looking for any personal hygiene products that you would like to donate to the school. Hotel style products of small bottles of shampoo, soaps etc. would be greatly appreciated as they will be given to the students during a personal hygiene presentation.

--- Also, we are looking for gently used, clean stuffed animals to share with students throughout the school.

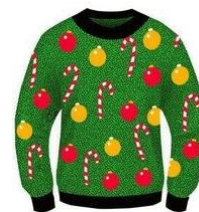

Due to the high volume of phone calls at the end each day and the subsequent disruption to classes, we are requesting parents make and communicate their after school arrangements with their child(ren) before each day and make a note in the agenda.

If you arrive before 3:17 to pick up your child and don't have a time-sensitive, scheduled appointment, please make yourself at home on our benches until dismissal.

The end of the day is an important time and the learning of the whole class is impacted if we interrupt unnecessarily.
